PARTNERPROGRAM

For a strong bond: The partner program of Digital Data Communications GmbH

As a provider of end-to-end network solutions, building cabling and entertainment electronics we rely on indirect sales with experts from IT, telecommunications and electrical wholesaling as well as specialist retail and systems house sector. Benefit from a strong cooperation when purchasing your products through us or one of our national distributors. Enjoy the advantage of receiving everything you desire from one source - network solutions, cabling, modern peripheral products or elegant accessories for your smartphone, notebook or tablet.

Benefit from **LevelOne's** state-of-the-art products for efficient networks and enter the high-margin digital video surveillance market.

Get the most out of **equip** when it comes to professional building cabling for any size and application.

Set limitless entertainment with **Conceptronic** and combine noble aesthetics with high-quality technology.

As a participant of our affiliate program you will benefit from lucrative privileges:

- Get your bonus for your purchases of our products, directly from us or the following distribution partners:

- Have your regular purchases rewarded annually with attractive bonuses*.
